**메인페이지**

A screenshot of the BBP main page. The page has a dark blue header with the BBP logo on the left and navigation links for 'Product', 'Documents', and 'Company' in the center. On the right side of the header, there are two buttons: 'Sign in' and 'Sign Up', which are highlighted with a red rectangular box. Below the header, the main content area features the headline 'Powerful platform, unparalleled ecosystem' in white text. Underneath the headline is a paragraph of Korean text: '블록체인 을 구축하는데 시간을 소비하지 마세요. BBP 는 1세대 합의 알고리즘을 기반으로 한 Blockchain 및 DID 서비스의 풍부한 생태계를 제공합니다.' Below this text is a black button with the text 'Sign up for free'. To the right of the text is an illustration of two hands holding puzzle pieces, one blue and one orange, with various data visualization icons (charts, graphs, lightbulb, question mark) floating around them. The background of the main content area is a dark blue gradient.

# SYM Wallet 로그인

The screenshot displays the BGW interface with a 'Create New SCT' dialog box. The dialog box contains a QR code and the text 'SYM Wallet Login'. A red dashed box highlights the QR code. A blue arrow points from the QR code to a confirmation message box that says 'bbp.wisem.com 내용: 인증이 완료되었습니다.' (Content of bbp.wisem.com: Authentication is complete.) and another blue arrow points from the QR code to a smartphone. The smartphone screen shows a hand icon clicking on the 'Scan' button in the top right corner of the app's main screen. The background interface shows a list of contracts with details like Contract Address, Contract Name, Tx-Point, and One-time support SYM Amount.
